

Photo and Video Policy

Tournament Atlantic Coast Championships

Due to numerous copyright restrictions, composer/arranger agreements, performer and guest safety, and personal confidentiality issues we ask that all audience, staff and performers be aware of the following:

Family, friends and fans may take still photos of TIA ACC events for personal use only. The images may not be sold or otherwise distributed on a website or in print.

Small, nonprofessional, single frame "point & shoot" and digital cameras are allowed into the venue. Please be considerate of the performers and the fans seated around you.

Professional cameras or cameras with lenses longer than four(4) inches are prohibited.

All forms of video and motion picture cameras and sound recording devices are strictly prohibited.

Tripods or other similar equipment that may obstruct the view or path of travel of others in the stands are also not allowed.

Additional performance DVDs or PICTURES may be ordered on site, or on-line.

Thank you for your cooperation and support.
