

TOB ACC #45

ALL STAR MARCHING BAND - SENIOR RECOGNITION - AWARDS

1. **ALL-STAR MARCHING BAND:** ASMB students meet at band entrance gate in uniform to move across track and be introduced as a group. After a group picture students will return to gate area.
2. **SENIOR RECOGNITION:** Senior students meet at band entrance in uniform, lining up in a block to process to Pomp & Circumstance.....with names announced as they move across the track to center. Once there, the TOB ACC scholarships for this group/class will be announced. After a group picture students will return to gate area.
3. **AWARDS:** Five students in uniform – 5 PER BAND – will meet near band gate and line up single file in performance order. After the follow the leader march to field, awards will be presented as announced. NJA adjudicators will move toward your students and meet them for presentation of TOB ACC plaque. Pictures are planned of each award. Top 3 places will move to front center as announced and will remain for a group picture.
4. **SAFETY/SECURITY:** We ask that band directors, staff and parents meet awards students at the gates, off the field. With afternoon awards we are moving to the next show and need to keep performance areas clear. At the night awards stadium clean up begins at the conclusion of awards. We don't like to go on too long
5. **UNIFORM/BEHAVIOR:** We consider the awards ceremony of ACC a formal conclusion to your championship day and our TOB season. Uniforms identify and show school pride. That is why we require them for our awards. We expect students to represent their schools in a respectful and dignified manner. Please address this with the students you have selected and remind them of this expectation.
6. **HERSHEY STADIUM NOTE:** During outside professional concert and some sporting events, HP does sell alcoholic beverages. This is NOT permitted during our TOB scholastic events. Signs still may be in place in the HP concession area, but there are no sales.

THANK YOU FOR YOUR COOPERATION WITH THE ABOVE.
